We are America. People have come from all over the world to become Americans. Why does that make us great? U.S. Citizenship and Immigration Services (USCIS) is hosting an art project to ask you to put your ideas on paper.

Draw a picture to show us why you think people coming from all over the world to become Americans makes us great.

USCIS will display submitted artwork in USCIS offices across the country. USCIS will also honor participating children as part of the 2010 celebration of the September 11th National Day of Service and Remembrance.

All submissions must be on 8.5 x 11 or 11 x 17 inch paper (children can even draw their picture on the inside of this flyer and submit it).

For their artwork, children may use any medium, including paint, crayons, markers, or colored pencils. Children may also make a collage.

U.S. Citizenship and Immigration Services
