U.S. Citizenship and Immigration Services

Terms of Use for the I E-VERIFY™ (Seal)*

_____
Company Name:

The Participant/Employer requesting use of the I E-VERIFY ™ (Seal), must be enrolled and maintain an active E-Verify account.

Participation means subscribing to the general goals and objectives of the E-Verify program, including advertising participation in, and promotion efforts of the E-Verify program.

The Participant/Employer agrees to the following:

The I E-VERIFY™ (Seal) may only be used to promote the Employer's use of E-Verify and does not imply any endorsement or certification of a particular business by the federal government. Nor does it replace E-Verify program requirements to post both the E-Verify Participation poster and the Right to Work poster.

The E-Verify Participant/Employer agrees that posting of the I E-VERIFY™ (Seal) is not a guarantee or assumption of compliance with employee verification laws and no such guarantee or assumption shall be awarded for simply displaying the Seal.

The E-Verify Participant/Employer acknowledges that the use or placement of the Seal will not preclude Federal agents from conducting worksite enforcement activities and is not intended to provide a safe harbor for the Employer.

The E-Verify Participant/Employer agrees to only use the digitized image file that is provided by USCIS and Participant shall not alter or modify this image or features of the trademark, including color or any element of the trademark, in any way.

The E-Verify Participant/Employer agree that it will not use the Seal in a disparaging manner or one that subjects the E-Verify program, the USCIS, or DHS to disrepute.

The E-Verify participant's breach of any of the terms and conditions of this request shall automatically terminate the permission granted by this Terms of Use.

I have read and understand the terms and conditions for use of the I E-VERIFY™ (Seal), and authorized by my organization to abide by those conditions set forth by United States Citizenship and Immigration Services.
