

Declaration of Financial Support

Department of Homeland Security
U.S. Citizenship and Immigration Services

USCIS
Form I-134
OMB No. 1615-0014
Expires 11/30/2026

What Is the Purpose of Form I-134?

Some immigration benefits that involve a temporary stay in the United States require U.S. Citizenship and Immigration Services (USCIS) to determine whether the applicant or beneficiary of the request has sufficient financial resources or financial support to pay for expenses during the temporary stay. The individual who signs and submits Form I-134 must establish that he or she has both sufficient financial resources and access to those funds to support the beneficiary listed on Form I-134 for the duration of the beneficiary's stay in the United States.

This version of Form I-134, Declaration of Financial Support, replaces the previously titled "Form I-134, Affidavit of Support."

Who Must File Form I-134?

Certain individuals applying for parole based on urgent humanitarian reasons or significant public benefit filed on Form I-131, Application for Travel Document, must submit this form with Form I-131. Form I-134 is filed either by the applicant for parole on his or her own behalf, or by another individual on the parole applicant's behalf.

NOTE: Whether or not the beneficiary of this Form I-134 will have sufficient means of support while in the United States is an important factor in determining whether to exercise discretion to authorize parole. We require evidence that the beneficiary of this Form I-134 has financial support for the duration of his or her stay in the United States. Lack of evidence of financial support while in the United States is a strong negative factor that may lead to a denial of parole.

Who May File Form I-134?

You may file this form on behalf of yourself or on behalf of a B, F, or M nonimmigrant requesting extension of stay or change of status.

Form I-134 may also be requested by Department of State in certain instances.

Do not use Form I-134 if the beneficiary you are agreeing to financially support must have Form I-864, Affidavit of Support Under Section 213A of the INA, filed on his or her behalf instead.

Submission of Declaration

If you are agreeing to financially support more than one beneficiary, you must submit a separate Form I-134 for each beneficiary. You, as the individual agreeing to financially support the beneficiary, must sign your full name on the form.

General Instructions

USCIS provides forms free of charge through the USCIS website. To view, print, or fill out our forms, you should use the latest version of Adobe Reader, which you can download for free at <http://get.adobe.com/reader/>. Signature. Each declaration must be properly signed and filed. For all signatures on this declaration, USCIS will not accept a stamped or typewritten name in place of a signature. A legal guardian may also sign for a mentally incompetent person. If the request is not signed or if the requisite signature on the request is not valid, USCIS will reject the request. See 8 CFR 103.2(a)(7)(ii)(A). If USCIS accepts a request for adjudication and determines that it has a deficient signature, USCIS will deny the request.

Validity of Signatures. USCIS will consider a photocopied, faxed, or scanned copy of the original handwritten signature valid for filing purposes. The photocopy, fax, or scan must be of the original document containing the handwritten ink signature.

Filing Fee. There is no filing fee to file Form I-134.

Evidence. You must submit all evidence requested in these Instructions with your declaration. If you fail to submit required evidence, USCIS may reject or deny your declaration for failure to submit requested evidence or supporting documents in accordance with 8 CFR 103.2(b)(1) and these Instructions.

Biometric Services Appointment. USCIS may require that you appear for an interview or provide biometrics (fingerprints, photograph, and/or signature) at any time to verify your identity, obtain additional information, and conduct background and security checks, including a check of criminal history records maintained by the Federal Bureau of Investigation (FBI), before making a decision on your application or petition. After USCIS receives your declaration and ensures it is complete, we will inform you if you need to attend a biometric services appointment. If an appointment is necessary, the notice will provide you the location of your local or designated USCIS Application Support Center (ASC) and the date and time of your appointment or, if you are currently overseas, instruct you to contact a U.S. Embassy, U.S. Consulate, or USCIS office outside the United States to set up an appointment.

If you are required to provide biometrics, at your appointment you must sign an oath reaffirming that:

1. You provided or authorized all information in the declaration;
2. You reviewed and understood all of the information contained in, and submitted with, your declaration; and
3. All of this information was complete, true, and correct at the time of filing.

Copies. You should submit legible photocopies of documents requested, unless the Instructions specifically state that you must submit an original document. USCIS may request an original document at the time of filing or at any time during processing of an application or petition. If USCIS requests an original document from you, it will be returned to you after USCIS determines it no longer needs your original.

Translations. If you submit a document with information in a foreign language, you must also submit a full English translation. The translator must sign a certification that the English language translation is complete and accurate, and that he or she is competent to translate from the foreign language into English. The certification should also include the translator's signature, printed name, the signature date, and the translator's contact information.
