On November 27, 1970, Miss Daniels, Congressman Bingham's office, 180-4411, made inquiry concerning the status of a section 212(d) (3)(A) authorization for the subject.

She was advised that we had only ^{received} received a telephonic recommendation from State before noon on November 27, 1970 and that it would not be decided before Monday November 30, 1970 whether his admission would be authorized.

A similar call was received ^{from} from Mr. Allen Klein, the subject's business contact and attorney in New York City. He stated he had contacted Congressman Bingham and that the subject's presence in the United States was urgently needed because a record by him was due for release on December 11, 1970. As a result about two or three weeks work is required of Lennon in this connection before its release. Mr. Klein was given the same information furnished Congressman Bingham's office.

On November 30, 1970, Miss Daniels was informed that Mr. Lennon's entry would be authorized.
