Robert P. Wiemann, Director
Administrative Appeals Office

DISCUSSION: The nonimmigrant visa petition was denied by the Director, Nebraska Service Center, and is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be summarily dismissed.

The petitioner in this matter is a college, seeking classification of the beneficiary under section 101(a)(15)(O)(i) of the Immigration and Nationality Act (the Act) as an alien with extraordinary ability in athletics in order to employ her in the United States as an assistant volleyball coach for a period of three years.

The director denied the petition, finding that the petitioner failed to establish that the beneficiary satisfied the regulatory standard for an alien with extraordinary ability in athletics.

On appeal, counsel for the petitioner asserts that the director erred in denying the petition. Counsel indicated that a written brief would be filed on or before April 17, 2003. As of this date, however, no brief has been received. The record, therefore, must be considered complete as presently constituted.

Section 101(a)(15)(O)(i) of the Act provides classification to a qualified alien who has extraordinary ability in the sciences, arts, education, business, or athletics that has been demonstrated by sustained national or international acclaim, whose achievements have been recognized in the field through extensive documentation, and who seeks to enter the United States to continue work in the area of extraordinary ability.

8 C.F.R. §103.3(a)(1)(v) states, in pertinent part:

An officer to whom an appeal is taken shall summarily dismiss any appeal when the party concerned fails to identify specifically any erroneous conclusion of law or statement of fact for the appeal.

Inasmuch as the petitioner has failed to identify specifically an erroneous conclusion of law or a statement of fact in this proceeding, the appeal must be summarily dismissed.

ORDER: The appeal is summarily dismissed.
