FOR THE ASSOCIATE COMMISSIONER,
EXAMINATIONS

Robert P. Wiemann, Director
Administrative Appeals Office

DISCUSSION: The employment-based immigrant visa petition was denied by the Director, California Service Center, and is now before the Associate Commissioner for Examinations on appeal. The appeal will be dismissed.

The petitioner seeks to classify the beneficiary as an outstanding researcher pursuant to section 203(b)(1)(B) of the Immigration and Nationality Act (the Act), 8 U.S.C. 1153(b)(1)(B). The director determined that the petitioner had not established that the beneficiary is recognized internationally as outstanding in his academic field, as required for classification as an outstanding researcher.

Review of Service records indicates that, subsequent to filing the instant petition, the petitioner filed another Form I-140 petition on the beneficiary's behalf, with receipt number WAC 00 093 52644. Service records further indicate that the second petition was approved. The alien subsequently entered the United States as a lawful permanent resident. Because the alien has obtained lawful permanent resident status, further pursuit of the matter at hand is moot.

ORDER: The appeal is dismissed, based on the alien's lawful permanent resident status.
