FOR THE ASSOCIATE COMMISSIONER,
EXAMINATIONS

Robert P. Wiemann, Acting Director
Administrative Appeals Office

DISCUSSION: The employment-based immigrant visa petition was denied by the Director, California Service Center, and remanded for further consideration by the Associate Commissioner for Examinations on appeal. The petition is now before the Associate Commissioner on certification. The director's decision will be affirmed.

The petitioner seeks to classify the beneficiary pursuant to section 203(b)(2) of the Immigration and Nationality Act (the Act), 8 U.S.C. 1153(b)(2), as a member of the professions holding an advanced degree. The petitioner also sought to precertify the beneficiary under Schedule A, Group II as an alien of exceptional ability. The director found that the proffered position did not require an advanced degree or an alien of exceptional ability and that the petitioner had not established that the beneficiary had international recognition as required for Schedule A, Group II precertification.

Review of Service records indicates that, subsequent to filing the instant petition, the petitioner filed a Form I-485 Application to Adjust Status, receipt number WAC-98-041-52461, which was approved on January 23, 2001. Because the alien has adjusted to lawful permanent resident status, further pursuit of the matter at hand is moot.

ORDER: The petition is denied. The appeal is dismissed, based on the alien's adjustment to lawful permanent resident status.
