Robert P. Wiemann, Director  
Administrative Appeals Office

**DISCUSSION:** The employment based immigrant visa petition was denied by the Director, Nebraska Service Center, and is now before the Administrative Appeals Office on appeal. The appeal will be dismissed.

The petitioner seeks classification pursuant to section 203(b)(2) of the Immigration and Nationality Act (the Act), 8 U.S.C. § 1153(b)(2), as a member of the professions holding an advanced degree. The petitioner asserts that an exemption from the requirement of a job offer, and thus of a labor certification, is in the national interest of the United States. The director found that the petitioner qualifies for classification as a member of the professions holding an advanced degree, but that the petitioner had not established that an exemption from the requirement of a job offer would be in the national interest of the United States.

Review of Citizenship and Immigration Service records indicates that the petitioner was granted lawful permanent residence on January 22, 2004. Therefore, further pursuit of the matter at hand is moot.

**ORDER:** The appeal is dismissed based on the alien's lawful permanent resident status in the United States.
