FOR THE ASSOCIATE COMMISSIONER,
EXAMINATIONS

Robert P. Wiemann, Director
Administrative Appeals Unit

DISCUSSION: The employment-based preference visa petition was denied by the Director, Nebraska Service Center, and is now before the Associate Commissioner for Examinations on appeal. The appeal will be dismissed.

The petitioner is a foot care clinic. It seeks to employ the beneficiary permanently in the United States as a physical therapist. The petitioner asserts that the beneficiary qualifies for blanket labor certification pursuant to 20 C.F.R. 656.10, Schedule A, Group I. The director determined that the petitioner had not established that the beneficiary had received a baccalaureate degree or its equivalent in physical therapy or that she is eligible to take the State of Illinois' licensing examination.

On appeal, counsel submits an instruction sheet For Making Application Under Provisions of the Illinois Physical Therapy Act of 1985.

Section 203(b)(3) of the Immigration and Nationality Act (the Act), 8 U.S.C. 1153(b)(3), provides for the granting of preference classification to qualified immigrants who are capable, at the time of petitioning for classification under this paragraph, of performing skilled or unskilled labor, not of a temporary or seasonal nature, for which qualified workers are not available in the United States. This section also provides for the granting of preference classification to qualified immigrants who hold baccalaureate degrees and are members of the professions.

In this case, the petitioner has filed an Immigrant Petition for Alien Worker (Form I-140) for classification under section 203(b)(3)(A)(i) of the Act as a skilled worker (physical therapist). Aliens who will be employed as physical therapists are listed on Schedule A. Schedule A is the list of occupations set forth at 20 C.F.R. 656.10 with respect to which the Director of the United States Employment Service has determined that there are not sufficient United States workers who are able, willing, qualified and available, and that the employment of aliens in such occupations will not adversely affect the wages and working conditions of United States workers similarly employed.

An employer shall apply for a labor certification for a Schedule A occupation by filing an Application for Alien Employment Certification (Form ETA 750 at Part A) in duplicate with the appropriate Immigration and Naturalization Service office. The Application for Alien Employment Certification shall include:

1. Evidence of prearranged employment for the alien beneficiary by having an employer complete and sign the job offer description portion of the application form.

2. Evidence that notice of filing the Application for Alien Employment Certification was provided to the bargaining representative or the employer's employees as prescribed in 20 C.F.R. 656.20(g)(3).

In this case, Form I-140 was filed on April 30, 2001. On July 12, 2001, the director requested that the petitioner submit evidence that the beneficiary held a license to practice Physical Therapy in the state of intended employment.

In response, counsel submitted a letter from the petitioner justifying his need for a physical therapist, a copy of the beneficiary's license to practice physical therapy from [REDACTED] and copies of the petitioner's federal tax returns for 1998 through 2000.

Employment-based petitions are based on priority dates. The priority date for Schedule A physical therapists is established when the petition is properly filed with the Service. 8 C.F.R. 204.5(d). The petition must be accompanied by the documents required by the particular section of the regulations under which submitted. 8 C.F.R. 103.2(b).

The petition was not accompanied by evidence that the beneficiary qualifies for classification pursuant to 20 C.F.R. 656.10, Schedule A, Group I, at the time the petition was filed. As the petitioner had not complied with the instructions stipulated in the Department of Labor regulations, at the time of filing of the petition, the petition may not be approved.

The burden of proof in these proceedings rests solely with the petitioner. Section 291 of the Act, 8 U.S.C. 1361. The petitioner has not met that burden. The appeal will be dismissed.

ORDER: The appeal is dismissed.
