IN RE: Petitioner:
Beneficiary:

PETITION: Immigrant Petition for Alien Worker as a Skilled Worker or Professional Pursuant to Section 203(b)(3) of the Immigration and Nationality Act, 8 U.S.C. § 1153(b)(3)

ON BEHALF OF PETITIONER:

INSTRUCTIONS:

This is the decision of the Administrative Appeals Office in your case. All documents have been returned to the office that originally decided your case. Any further inquiry must be made to that office.

Robert P. Wiemann, Chief
Administrative Appeals Office

DISCUSSION: The employment-based immigrant visa petition was denied by the Director, California Service Center. The Administrative Appeals Office (AAO) subsequently dismissed the appeal. The matter is now before the AAO on a motion to reopen. The motion will be dismissed.

The petitioner is a computer wholesale company. It sought to employ the beneficiary permanently in the United States as a quality control engineer. The director denied the petition and the AAO dismissed the appeal on May 29, 2002. The petitioner, through counsel filed a motion to reopen on June 27, 2002.

Review of Citizenship and Immigration Services [CIS] electronic records indicates that, subsequent to the filing of the instant motion, the alien obtained immigrant status as a lawful permanent resident on September 7, 2004, under [REDACTED]. Because the alien has obtained lawful permanent resident status, further pursuit of the matter at hand is moot.

ORDER: The motion is dismissed, based on the alien's lawful permanent resident status.
