Date: OCT 17 2007

IN RE: Petitioner: [REDACTED]
Beneficiary: [REDACTED]

PETITION: Immigrant petition for Alien Worker as a Skilled Worker or Professional pursuant to section 203(b)(3) of the Immigration and Nationality Act, 8 U.S.C. § 1153(b)(3)

ON BEHALF OF PETITIONER:

INSTRUCTIONS:

This is the decision of the Administrative Appeals Office in your case. All documents have been returned to the office that originally decided your case. Any further inquiry must be made to that office.

Robert P. Wiemann, Chief
Administrative Appeals Office

DISCUSSION: The Director, Texas Service Center, denied the immigrant visa petition. The matter is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be rejected as untimely filed. The AAO will return the matter to the director for consideration as a motion to reopen or reconsider.

In order to properly file an appeal, the regulation at 8 C.F.R. § 103.3(a)(2)(i) provides that the affected party must file the complete appeal with the office where the unfavorable decision was made within 30 days of after service of the unfavorable decision. If the decision was mailed, the appeal must be filed within 33 days. *See* 8 C.F.R. § 103.5a(b). The date of filing is not the date of mailing, but the date of actual receipt. *See* 8 C.F.R. § 103.2(a)(7)(i).

The record indicates that the director issued the decision on June 27, 2006. It is noted that the director properly gave notice to the petitioner that it had 33 days to file the appeal with the Texas Service Center. The petitioner improperly sent the appeal to the AAO. The AAO returned the appeal to the petitioner on July 27, 2006 and noted that the appeal must be submitted to the Citizenship and Immigration Services (CIS) office where the petitioner filed its original petition. The appeal was not properly received by the director until August 2, 2006, or 36 days after the decision was issued. Accordingly, the appeal was untimely filed. The director erroneously annotated the appeal as timely and forwarded the matter to the AAO.

Neither the Immigration and Nationality Act nor the pertinent regulations grant the AAO authority to extend the 33-day time limit for filing an appeal. As the appeal was untimely filed, the appeal must be rejected. Nevertheless, the regulation at 8 C.F.R. § 103.3(a)(2)(v)(B)(2) states that, if an untimely appeal meets the requirements of a motion to reopen or a motion to reconsider, the appeal must be treated as a motion, and a decision must be made on the merits of the case.

A motion to reopen must state the new facts to be proved in the reopened proceeding and be supported by affidavits or other documentary evidence. 8 C.F.R. § 103.5(a)(2). A motion to reconsider must state the reasons for reconsideration and be supported by any pertinent precedent decisions to establish that the decision was based on an incorrect application of law or Service policy. A motion to reconsider a decision on an application or petition must, when filed, also establish that the decision was incorrect based on the evidence of record at the time of the initial decision. 8 C.F.R. § 103.5(a)(3). A motion that does not meet applicable requirements shall be dismissed. 8 C.F.R. § 103.5(a)(4).

Here, the untimely appeal meets the requirements of a motion to reopen or reconsider. The official having jurisdiction over a motion is the official who made the last decision in the proceeding, in this case the service center director. *See* 8 C.F.R. § 103.5(a)(1)(ii). Therefore, the director must consider the untimely appeal as a motion to reopen or reconsider and render a new decision accordingly.

ORDER: The appeal is rejected. The matter is returned to the director for consideration as a motion to reopen or reconsider.
