FOR THE ASSOCIATE COMMISSIONER,
EXAMINATIONS

Mary C. Mulrean, Acting Director
Administrative Appeals Office

DISCUSSION: The approval of the immigrant visa petition was revoked by the Director, Texas Service Center. The matter is now before the Associate Commissioner for Examinations on appeal. The appeal will be dismissed.

The petitioner seeks classification as an alien entrepreneur pursuant to § 203(b)(5) of the Immigration and Nationality Act (the Act), 8 U.S.C. 1153(b)(5). The director revoked the previously granted petition finding that the petitioner had failed to satisfy several eligibility requirements. Specifically, the director found that the petitioner had failed to establish that she established a new commercial enterprise, that she had made a qualifying investment of the requisite amount of capital, that she had failed to establish the source of her investment capital and thereby failed to show that it was obtained from lawful sources, and that she had failed to show that the requisite employment creation would result from her investment.

On appeal, counsel for the petitioner stated that a written brief would be submitted on or before August 12, 1999. As of this date, however, no written brief has been received by the Service. The record therefore must be considered complete as presently constituted.

8 C.F.R. 103.3(a)(1)(v) states, in pertinent part:

An officer to whom an appeal is taken shall summarily dismiss any appeal when the party concerned fails to identify specifically any erroneous conclusion of law or statement of fact for the appeal.

Inasmuch as the petitioner has failed to identify specifically an erroneous conclusion of law or a statement of fact in this proceeding, the appeal must be summarily dismissed.

ORDER: The appeal is summarily dismissed.
