DISCUSSION: The immigrant visa petition was denied by the Director, Vermont Service Center. In a decision dated September 4, 2003, the Administrative Appeals Office (AAO) withdrew the director's decision and remanded the case to the director. On September 18, 2003, the petitioner filed a motion to reconsider with the Administrative Appeals Office (AAO). The motion will be rejected.

The petitioner is a religious organization. It seeks classification of the beneficiary as a special immigrant religious worker pursuant to section 203(b)(4) of the Immigration and Nationality Act (the Act), 8 U.S.C. § 1153(b)(4), in order to employ him as an Islamic teacher.

The petitioner now files a motion to reconsider the AAO's decision dated September 4, 2003 and submits additional evidence.

The instant motion must be rejected because the AAO lacks jurisdiction to consider the motion in the absence of a director's decision. Any additional evidence should have been submitted to the director in response to the director's request for evidence dated January 4, 2004.

ORDER: The motion is rejected.
