FOR THE ASSOCIATE COMMISSIONER,  
EXAMINATIONS

Robert P. Wiemann, Acting Director  
Administrative Appeals Office

**DISCUSSION:** The nonimmigrant visa petition was denied by the director. A subsequent appeal was dismissed by the Associate Commissioner for Examinations. The matter is now before the Associate Commissioner on a motion to reopen and reconsider. The motion will be dismissed.

The petitioner is a general contracting and construction management firm which seeks to employ the beneficiary as a field assistant for a period of three years. The director determined the petitioner had not established that the offered position is a specialty occupation.

On appeal, counsel argued that the offered position is a specialty occupation and the beneficiary is qualified to perform the duties of a specialty occupation.

On motion, counsel submits a statement dated July 25, 2000 indicating that this motion is based upon evidence which will be submitted within sixty days.

Counsel has not stated a basis for the motion and no further evidence has been received. It is noted that the regulations at 8 C.F.R. 103.5 provide that a motion to reopen must state the new facts to be provided in the reopened proceeding and be supported by affidavits or other documentary evidence. A motion to reconsider must state the reasons for reconsideration and be supported by any pertinent precedent decisions to establish that the decision was based on an incorrect application of law or Service Policy. A motion that does not meet these requirements shall be dismissed.

**ORDER:** The motion is dismissed.
