FOR THE ASSOCIATE COMMISSIONER,
EXAMINATIONS

Robert P. Wiermann, Director
Administrative Appeals Office

DISCUSSION: The nonimmigrant visa petition was denied by the director and is now before the Associate Commissioner for Examinations on appeal. The appeal will be sustained.

The petitioner is an internet web page developing and marketing business with 33 employees and a gross annual income of \$850,000. It seeks to employ the beneficiary as a senior graphic designer and web developer for a period of three years. The director determined the petitioner had not established that the beneficiary is qualified to perform the duties of a specialty occupation.

On appeal, counsel submits a brief.

Section 101(a)(15)(H)(i)(b) of the Immigration and Nationality Act (the Act), 8 U.S.C. 1101(a)(15)(H)(i)(b), provides in part for nonimmigrant classification to qualified aliens who are coming temporarily to the United States to perform services in a specialty occupation. Section 214(i)(1) of the Act, 8 U.S.C. 1184(i)(1), defines a "specialty occupation" as an occupation that requires theoretical and practical application of a body of highly specialized knowledge, and attainment of a bachelor's or higher degree in the specific specialty (or its equivalent) as a minimum for entry into the occupation in the United States.

Pursuant to section 214(i)(2) of the Act, 8 U.S.C. 1184(i)(2), to qualify as an alien coming to perform services in a specialty occupation the beneficiary must hold full state licensure to practice in the occupation, if such licensure is required to practice in the occupation. In addition, the beneficiary must have completed the degree required for the occupation, or have experience in the specialty equivalent to the completion of such degree and recognition of expertise in the specialty through progressively responsible positions relating to the specialty.

The director denied the petition because the record does not contain sufficient evidence of the beneficiary's educational credentials. On appeal, counsel submits additional evidence of the beneficiary's educational background, including a copy of his bachelor of arts degree in graphic design.

Pursuant to 8 C.F.R. 214.2(h)(4)(iii)(C), to qualify to perform services in a specialty occupation, the alien must meet one of the following criteria:

1. Hold a United States baccalaureate or higher degree required by the specialty occupation from an accredited college or university;
2. Hold a foreign degree determined to be equivalent to a United States baccalaureate or higher degree required

by the specialty occupation from an accredited college or university;

3. Hold an unrestricted State license, registration, or certification which authorizes him or her to fully practice the specialty occupation and be immediately engaged in that specialty in the state of intended employment; or

4. Have education, specialized training, and/or progressively responsible experience that is equivalent to completion of a United States baccalaureate or higher degree in the specialty occupation and have recognition of expertise in the specialty through progressively responsible positions directly related to the specialty.

The beneficiary holds a baccalaureate degree in graphic design conferred by a Turkish institution. A credentials evaluation service found the beneficiary's foreign education to be the U.S. equivalent of a bachelor of arts degree in graphic design. A review of the Department of Labor's Occupational Outlook Handbook, 2002-2003 edition, finds that a bachelor's degree is required for most entry-level design positions. In view of the foregoing, it is concluded that the petitioner has demonstrated that the proffered position is a specialty occupation within the meaning of regulations.

The burden of proof in these proceedings rests solely with the petitioner. Section 291 of the Act, 8 U.S.C. 1361. The petitioner has sustained that burden. Accordingly, the appeal will be sustained and the petition will be approved.

ORDER: The appeal is sustained. The director's order is withdrawn and the petition is approved.
