FILE: LIN 02 161 50991 Office: NEBRASKA SERVICE CENTER Date:

IN RE: Petitioner: [Redacted]
Beneficiary: [Redacted]

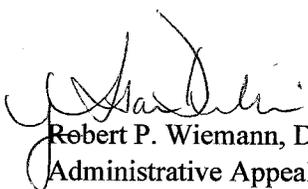

PETITION: Petition for a Nonimmigrant Worker Pursuant to Section 101(a)(15)(H)(i)(b) of the Immigration and Nationality Act, 8 U.S.C. § 1101(a)(15)(H)(i)(b)

ON BEHALF OF PETITIONER:

SELF REPRESENTED

INSTRUCTIONS:

This is the decision of the Administrative Appeals Office in your case. All documents have been returned to the office that originally decided your case. Any further inquiry must be made to that office.

Robert P. Wiemann, Director
Administrative Appeals Office

DISCUSSION: The service center director denied the nonimmigrant visa petition and the matter is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be dismissed. The petition will be denied.

The petitioner is a school district. It seeks to employ the beneficiary as a teacher and endeavors to classify the beneficiary as a nonimmigrant worker in a specialty occupation pursuant to section 101(a)(15)(H)(i)(b) of the Immigration and Nationality Act (the Act), 8 U.S.C. § 1101(a)(15)(H)(i)(b).

The director denied the petition because a certified labor condition application (LCA) was not obtained prior to the filing of the I-129 petition. On appeal, the petitioner submits an LCA.

The issue to be discussed in this proceeding is whether a certified LCA was obtained prior to the filing of the I-129 petition.

Section 101(a)(15)(H)(i)(b) of the Immigration and Nationality Act (the Act), 8 U.S.C. § 1101(a)(15)(H)(i)(b), provides, in part, for the classification of qualified nonimmigrant aliens who are coming temporarily to the United States to perform services in a specialty occupation.

Section 101(a)(15)(H) of the Immigration and Nationality Act (INA) defines an H-1B nonimmigrant as:

[A]n alien who is coming temporarily to the United States to perform services . . . in a specialty occupation . . . and with respect to whom the Secretary of Labor determines and certifies to the Attorney General that the intending employer has filed with the Secretary of Labor an application under section 212(a)(n)(1)

Title 8, Code of Federal Regulations, part 214.2(h)(4)(iii)(B)(1) provides that the petitioner shall submit with an H-1B petition “ a certification from the Secretary of Labor that the petitioner has filed a labor condition application with the Secretary.” The regulations further provide:

Before filing a petition for H-1B classification in a specialty occupation the petitioner shall obtain a certification from the Department of Labor that it has filed a labor condition application in the occupational specialty in which the alien(s) will be employed.

8 C.F.R. § 214.2 (h)(4)(i)(B) (1).

Pursuant to 8 C.F.R. § 103.2(b)(12), “an application or petition shall be denied where evidence submitted in response to a request for initial evidence does not establish filing eligibility at the time the application or petition was filed. . . .” The I-129 petition was filed on April 16, 2002. The director requested a certified LCA from the petitioner prior to his denial of the I-129 petition. No LCA was provided. On appeal, the petitioner submits an LCA that was certified on September 25, 2002, subsequent to the filing of the I-129 petition. The petition must, accordingly, be denied because certification was not obtained prior to the filing of the H-1B petition

The burden of proof in these proceedings rests solely with the petitioner. Section 291 of the Act, 8 U.S.C. § 1361. The petitioner has failed to sustain that burden.

ORDER: The appeal is dismissed. The petition is denied.
