FOR THE ASSOCIATE COMMISSIONER,
EXAMINATIONS

M. C. Mulrean, Acting Director
Administrative Appeals Office

DISCUSSION: The nonimmigrant visa petition was denied by the Director, Texas Service Center, and is now before the Associate Commissioner for Examinations on appeal. The appeal will be dismissed.

The petitioner is an air conditioning and heating contractor. It desires to employ the beneficiary as a HVAC technician for an indefinite period. The petition was not accompanied by the required Labor Certification, ETA-750. The director determined that absent the certification, the petitioner failed to establish that the beneficiary qualifies to perform services as a temporary nonagricultural worker.

On appeal, counsel states that he will be filing a form ETA 750, Application for Alien Employment Certification.

The regulation at 8 C.F.R. 214.2(h)(6)(iv)(A) requires that a petition for temporary employment in the United States be accompanied by a temporary labor certification from the Department of Labor, or notice detailing the reasons why such certification cannot be made.

The petition was filed on August 4, 2000 without a temporary labor certification, or notice detailing the reasons why such certification cannot be made. Absent such certification from the Department of Labor or notice detailing the reasons why such certification cannot be made, the petition cannot be approved.

This petition cannot be approved for another reason. The petition indicates that the dates of intended employment for the beneficiary are from September 22, 1999 until indefinite. The petitioner has not established that the need for the services to be performed is temporary.

The burden of proof in these proceedings rests solely with the petitioner. Section 291 of the Act, 8 U.S.C. 1361. Here, the petitioner has not met that burden.

ORDER: The appeal is dismissed.
