FOR THE ASSOCIATE COMMISSIONER,
EXAMINATIONS

Administrative Appeals Office

PUBLIC COPY

DISCUSSION: The nonimmigrant visa petition was denied by the Director, Texas Service Center, who certified the decision to the Associate Commissioner for Examinations for review. The decision of the director will be withdrawn.

The petitioner engages in the service of automobiles. It desires to employ the beneficiary as a glass tinter for a period of four and one-half months. The director determined that the petitioner had not submitted a temporary labor certification from the Department of Labor or notice stating that such certification cannot be made. The director also determined that the petitioner had not established that the position is of a temporary nature.

Upon review, the record contains a copy of an uncertified Labor Certification, ETA-750, and a notice that a temporary certification by the Secretary of Labor could not be made. Therefore, this issue does not need to be further addressed.

Further, the petitioner has submitted sufficient countervailing evidence to show that qualified workers in the United States were not available, that the employment policies of the Department of Labor have been observed, and that the position offered is temporary.

The burden of proof in these proceedings rests solely with the petitioner. Section 291 of the Act, 8 U.S.C. 1361. Here, the petitioner has met that burden. Accordingly, as eligibility has been established, the petition will be approved.

ORDER: The decision of the director is withdrawn.
The petition is approved.
