FOR THE ASSOCIATE COMMISSIONER,  
EXAMINATIONS

Robert P. Wiemann, Director  
Administrative Appeals Office

**DISCUSSION:** The nonimmigrant visa petition was denied by the Director, Texas Service Center. The matter is now before the Associate Commissioner for Examinations on appeal. The appeal will be dismissed.

The petitioner is a private individual who seeks to employ the beneficiary as a nanny for a period of one year. The director determined that the petitioner had not submitted a temporary labor certification from the Department of Labor or notice stating that such certification cannot be made.

On appeal, the petitioner states that the necessary documentation has been filed with the Texas Workforce Commission and that after it is completed, the temporary alien labor certification will be submitted.

8 C.F.R. 214.2(h)(6)(iv)(A) requires that a petition for temporary employment in the United States be accompanied by a temporary labor certification from the Department of Labor, or notice detailing the reasons why such certification cannot be made.

The petition was filed on February 20, 2002 without a temporary labor certification, or notice detailing the reasons why such certification cannot be made. Absent such documentation, the petition cannot be approved.

The burden of proof in these proceedings rests solely with the petitioner. Section 291 of the Act, 8 U.S.C. 1361. Here, the petitioner has not met that burden.

**ORDER:** The appeal is dismissed.
