FOR THE ASSOCIATE COMMISSIONER,
EXAMINATIONS

Robert P. Wiemann, Director
Administrative Appeals Office

DISCUSSION: The nonimmigrant visa petition was denied by the Director, California Service Center, and is now before the Associate Commissioner for Examinations on appeal. The appeal will be dismissed.

The petitioner is a custom home builder. It desires to employ the beneficiary as a landscape superintendent for two years. The petition was not accompanied by the required Labor Certification, ETA-750. The director denied the petition because the petitioner had not submitted the required certification or the Department of Labor's notice that such certification cannot be made.

On appeal, the petitioner states that the beneficiary does the best work he has ever seen, and requests that the Service allow the beneficiary to work for him.

The regulation at 8 C.F.R. 214.2(h)(6)(iv)(A) requires that a petition for temporary employment in the United States be accompanied by a temporary labor certification from the Department of Labor, or notice detailing the reasons why such certification cannot be made.

The petition was filed on October 3, 2001 without a temporary labor certification, or notice detailing the reasons why such certification cannot be made. Absent such certification from the Department of Labor or notice detailing the reasons why such certification cannot be made, the petition cannot be approved.

This petition may not be approved for another reason beyond the decision of the director. The petition states that the dates of intended employment are from October 15, 2001 until October 2003. The petitioner has not established that the need for the services to be performed is an intermittent need as stated on the petition. The petitioner has not established that the need for the beneficiary's services is temporary.

The burden of proof in these proceedings rests solely with the petitioner. Section 291 of the Act, 8 U.S.C. 1361. Here, the petitioner has not met that burden.

ORDER: The appeal is dismissed.
