FOR THE ASSOCIATE COMMISSIONER,
EXAMINATIONS

Robert P. Wiemann, Director
Administrative Appeals Office

DISCUSSION: The nonimmigrant visa petition was denied by the Director, Texas Service Center, who certified her decision to the Associate Commissioner for Examinations for review. The director's decision will be affirmed.

The petitioner seeks to employ the beneficiary as a hockey player and coach for a period of seven months. The director denied the petition because it was not accompanied by a temporary labor certification from the Department of Labor. The certifying officer declined to issue temporary labor certification because the position did not appear to be full time and because the dates of need did not allow for sufficient time to recruit a worker through normal recruitment procedures.

Counsel has not responded to the notice of certification.

8 C.F.R. 214.2(h)(6)(iv)(A) requires that a petition for temporary employment in the United States be accompanied by a temporary labor certification from the Department of Labor, or notice detailing the reasons why such certification cannot be made. 8 C.F.R. 214.2(h)(6)(iv)(A) states that a petition not accompanied by temporary labor certification must be accompanied by countervailing evidence from the petitioner that addresses the reasons why the Secretary of Labor could not grant a labor certification.

The petitioner has provided a statement which expresses its need for the beneficiary's services but does not specifically address the grounds for denial of temporary labor certification. The director found the petitioner's representations insufficient and denied the petition.

After review of the evidence contained in the record, the decision of the director is found to be correct.

ORDER: The director's decision is affirmed.
