for Michael T. Kelly
Robert P. Wiemann, Chief
Administrative Appeals Office

DISCUSSION: The nonimmigrant visa petition was approved by the Director, Vermont Service Center, and certified to the Administrative Appeals Office (AAO) for review as required by 8 C.F.R. § 214.2(h)(9)(iii)(B)(2)(ii). The decision of the director will be affirmed and the petition will be approved for the period of established need.

The petitioner is a fencing contractor. It desires to employ the beneficiaries as fencing workers from May 1, 2007 to December 15, 2007. The Department of Labor (DOL) determined that a temporary labor certification by the Secretary of Labor could not be made.

The director determined that sufficient countervailing evidence has been submitted to show that qualified persons in the United States are not available, that the employment policies of the Department of Labor have been observed, and that the need for the services to be performed is temporary. The director's recommendation to approve the instant petition is now before the AAO for review.

The regulations at 8 C.F.R. § 214.2(h)(9)(iii)(B)(2) states in pertinent part that :

(ii) Approval. In any case where the director decides that approval of the H-2B petition is warranted despite the issuance of a notice by the Secretary of Labor . . . that certification cannot be made, the approval shall be certified by the director to the Commissioner pursuant to 8 C.F.R. § 103.4. . . If approved, the petition is valid for the period of established need not to exceed one year. . . .

The petition indicates at part 5, item 8 that the dates of intended employment are from May 1, 2007 to December 15, 2007. To substantiate its need for the intended dates of service, the petitioner provided a table related to permanent and temporary employees, and tax reports.

The AAO finds that there is a peakload need for the services to be performed. The aforementioned records, in particular the tax reports, reflect a peakload need from July 1, 2007 to December 15, 2007.

After review of the documentary evidence contained in the record, the petition will be approved for the period of established need. The petitioner has provided sufficient evidence to establish that the need for the beneficiaries' services is July 1, 2007 to December 15, 2007 and that there is a peakload need. The Vermont Service Center will issue the appropriate approval notice.

ORDER: The decision of the director is affirmed. The nonimmigrant visa petition is approved for the period of established need from July 1, 2007 to December 15, 2007.
