FOR THE ASSOCIATE COMMISSIONER,
EXAMINATIONS

Robert P. Wiemann, Acting Director
Administrative Appeals Office

DISCUSSION: The nonimmigrant visa petition was denied by the Director, Texas Service Center, and certified to the Associate Commissioner for Examinations for review. The director's decision to deny the petition will be affirmed.

The petitioner seeks to employ the beneficiary as a domestic helper for a period of one year. The petition was not accompanied by the required Labor Certification, ETA-750. The director determined that absent the certification, the petitioner failed to meet the regulatory requirements necessary for approval of the petition. The director certified his decision to the Associate Commissioner for Examinations for review.

On certification, the petitioner states that he was unaware of the need to obtain a temporary labor certification and that he has now completed the application for the certification.

The regulation at 8 C.F.R. 214.2(h)(6)(iv)(A) requires that a petition for temporary employment in the United States be accompanied by a temporary labor certification from the Department of Labor, or notice detailing the reasons why such certification cannot be made.

The petition was filed on August 9, 1999 without a temporary labor certification, or notice detailing the reasons why such certification cannot be made. Absent such certification from the Department of Labor or notice detailing the reasons why such certification cannot be made, the petition cannot be approved.

The burden of proof in these proceedings rests solely with the petitioner. Section 291 of the Act, 8 U.S.C. 1361. The petitioner has not sustained that burden.

ORDER: The director's decision to deny the petition is affirmed.
The petition is denied.
