FOR THE ASSOCIATE COMMISSIONER,
EXAMINATIONS

Robert P. Wiemann, Director
Administrative Appeals Office

DISCUSSION: The nonimmigrant visa petition was denied by the Director, California Service Center, and is before the Associate Commissioner for Examinations on appeal. The appeal will be dismissed.

The petitioner is a native of Mexico and naturalized citizen of the United States. The beneficiary is a native and citizen of Mexico. The director denied the petition after determining that the petitioner and the beneficiary had not met each other within the two-year period prior to the April 9, 2002, filing date of the visa petition.

On appeal, the petitioner provides a statement from the Chief Executive Officer of Sonitrones, S.A. de C.V. indicating that the petitioner was the beneficiary's supervisor. The letter further states that the petitioner is now employed by Collectron Maquila Services as the director of engineering.

Section 101(a)(15)(K) of the Immigration and Nationality Act (the Act), 8 U.S.C. § 1101(a)(15)(K), provides nonimmigrant classification to an alien who:

(i) is the fiancé(e) of a U.S. citizen and who seeks to enter the United States solely to conclude a valid marriage with that citizen within 90 days after admission;

(ii) has concluded a valid marriage with a citizen of the United States who is the petitioner, is the beneficiary of a petition to accord a status under section 201(b)(2)(A)(i) that was filed under section 204 by the petitioner, and seeks to enter the United States to await the approval of such petition and the availability to the alien of an immigrant visa; or

(iii) is the minor child of an alien described in clause (i) or (ii) and is accompanying, or following to join, the alien.

Section 214(d) of the Act, 8 U.S.C § 1184(d), provides that the petitioner must establish that he or she and the beneficiary have met in person within two years immediately before the petition is filed.

The petitioner indicates on the petition that he and the beneficiary have a very nice relationship. The petition is devoid of probative evidence that the two have met within two years of the petition's filing date. The assertions in the record are somewhat nebulous in nature. As the petitioner and the applicant live in the "sister" cities of Nogales, Arizona, and Nogales, Sonora, separated only by an international boundary, it would not seem impossible for the petitioner to submit a dated photograph of them together.

Therefore, the appeal will be dismissed. This action is taken without prejudice to consideration of a new and fully documented fiancée visa petition.

ORDER: The appeal is dismissed.
