**DISCUSSION:** The Director, Texas Service Center, denied the petition for a nonimmigrant visa. The matter is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be rejected.

The petitioner seeks to extend her period of stay as a nonimmigrant spouse of an intracompany transferee pursuant to § 101(a)(15)(L) of the Immigration and Nationality Act, 8 U.S.C. § 1101(a)(15)(L). The director notified the applicant of her intent to deny the application after the nonimmigrant petition of the applicant's spouse was denied. The director denied the application concluding that as a result of the denial of the principal alien's petition for an extension of status the applicant is not eligible for an extension of stay.

On appeal, counsel disputes the director's findings and claims that denial of the principal alien's petition was erroneous.

Pursuant to the regulation at 8 C.F.R. § 214.1(c)(5), there is no appeal from the denial of an application for extension of stay filed on Form I-539. Accordingly, the alien in the instant case has no right to appeal. The applicant's appeal must therefore be rejected.

**ORDER:** The appeal is rejected.
