FOR THE ASSOCIATE COMMISSIONER,
EXAMINATIONS

Robert P. Wiemann, Director
Administrative Appeals Office

DISCUSSION: The nonimmigrant visa petition was denied by the Director, Nebraska Service Center, and is now before the Associate Commissioner for Examinations on appeal. The appeal will be summarily dismissed.

The petitioner in this matter is a rugby club. The beneficiary is a rugby player. The petitioner seeks classification of the beneficiary under section 101(a)(15)(P)(i) of the Immigration and Nationality Act (the Act) as an internationally recognized athlete in order to employ him in the United States as a rugby player and coach.

The director denied the petition, finding that the petitioner failed to establish that the beneficiary satisfied the regulatory criteria for an internationally recognized athlete. The director also determined that the petitioner failed to establish a definite time frame in its contract with the beneficiary. Finally, the director found that the petitioner failed to establish that it required the services of an internationally recognized athlete.

On appeal, counsel for the petitioner asserts that the director did not view the evidence in an appropriate manner as required by the Act. Counsel for the petitioner indicated that he would submit a brief within thirty days of the appeal. As of this date, however, no brief has been received. The record, therefore, must be considered complete as presently constituted.

The petitioner failed to address specifically the grounds for denial set forth in the decision of the director.

8 C.F.R. 103.3(a)(1)(v) states, in pertinent part:

An officer to whom an appeal is taken shall summarily dismiss any appeal when the party concerned fails to identify specifically any erroneous conclusion of law or statement of fact for the appeal.

Inasmuch as the petitioner has failed to identify specifically an erroneous conclusion of law or a statement of fact in this proceeding, the appeal must be summarily dismissed.

ORDER: The appeal is summarily dismissed.
