IN RE:

Applicant:

APPLICATION: Application for Certificate of Citizenship.

ON BEHALF OF APPLICANT:

SELF-REPRESENTED

INSTRUCTIONS:

This is the decision of the Administrative Appeals Office in your case. All documents have been returned to the office that originally decided your case. Any further inquiry must be made to that office.

Robert P. Wemmann, Chief
Administrative Appeals Office

DISCUSSION: The application was denied by the Field Office Director, [REDACTED]. The matter is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be rejected as untimely filed.

In order to properly file an appeal, the regulation at 8 C.F.R. § 103.3(a)(2)(i) provides that the affected party must file the complete appeal within 30 days after service of the unfavorable decision. If the decision was mailed, the appeal must be filed within 33 days. 8 C.F.R. § 103.5a(b). The date of filing is not the date of mailing, but the date of actual receipt. 8 C.F.R. § 103.2(a)(7)(i).

The field office director issued the applicant's decision on March 14, 2007 and properly informed the applicant that he had 33 days to file an appeal. The record reflects that the applicant initially filed the appeal with the AAO on May 2, 2007 and that it was returned to him the same day. The appeal was received at the U.S. Citizenship and Immigration Services (CIS) office in [REDACTED] on May 14, 2007, 61 days after the denial decision was issued. Accordingly, the appeal was untimely filed.

Neither the Immigration and Nationality Act nor the pertinent regulations grant the AAO authority to extend the 33-day time limit for filing an appeal. The regulation at 8 C.F.R. § 103.3(a)(2)(v)(B)(2) states that, if an untimely appeal meets the requirements of a motion to reopen or a motion to reconsider, the appeal must be treated as a motion, and a decision must be made on the merits of the case.

A motion to reopen must state the new facts to be proved in the reopened proceeding and be supported by affidavits or other documentary evidence. 8 C.F.R. § 103.5(a)(2). A motion to reconsider must state the reasons for reconsideration and be supported by any pertinent precedent decisions to establish that the decision was based on an incorrect application of law or Service policy. A motion to reconsider a decision on an application or petition must, when filed, also establish that the decision was incorrect based on the evidence of record at the time of the initial decision. 8 C.F.R. § 103.5(a)(3). A motion that does not meet applicable requirements shall be dismissed. 8 C.F.R. § 103.5(a)(4).

Here, the untimely appeal was not supported by affidavits or other documentary evidence, and it provided no evidence or reasons for reconsideration of the decision. The untimely appeal thus does not meet the requirements of a motion to reopen or a motion to reconsider. Accordingly, there is no requirement to treat the appeal as a motion under 8 C.F.R. § 103.3(a)(2)(v)(B)(2).

As the appeal was untimely filed, the appeal must be rejected.

ORDER: The appeal is rejected.
