DISCUSSION: The Form N-565 application was denied by the Director, Texas Service Center, and is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be sustained.

The applicant is a native of Italy and a citizen of the United States. He seeks to have a lost Certificate of Citizenship replaced under section 343 of the Immigration and Nationality Act (the Act), 8 U.S.C. § 1454.

The director determined that the applicant failed to establish that he is a citizen of the United States or that any Certificate of Naturalization or Citizenship had been issued to him. The Application for Replacement Citizenship Document was denied accordingly. On appeal, the applicant provided his former alien registration number.

Section 343 of the Act, 8 U.S.C. § 1454, provides the statutory authority relating to the replacement of a lost certificate of citizenship. The regulations regarding the replacement of lost certificates of citizenship are contained in 8 C.F.R. § 343a.1(a) and provide in pertinent part that, “[a] person whose . . . certificate of . . . citizenship has been lost, mutilated, or destroyed, shall apply on Form N-565 for a new paper in lieu thereof.”

Here, U.S. Citizenship and Immigration Services records show that the applicant was issued a Certificate of Citizenship on June 8, 1964. The applicant has established that his certificate was lost. Accordingly, the applicant is eligible for a replacement certificate under section 343 of the Act. The applicant’s appeal will be sustained and the case returned to the Texas Service Center for issuance of a replacement certificate of citizenship.

ORDER: The appeal is sustained. The case is returned to the Texas Service Center for issuance of a replacement certificate of citizenship.
