address on June 28, 2000. This notice stated that arrangements have been made for the alien's departure to Honduras on July 28, 2000. Consequently, the record clearly establishes that the Form I-166 letter was mailed more than 3 days after the notice to surrender was mailed.

It must be noted that delivery bonds are exacted to insure that aliens will be produced when and where required by the Service for hearings or removal. Such bonds are necessary in order for the Service to function in an orderly manner. The courts have long considered the confusion which would result if aliens could be surrendered at any time or place it suited their or the surety's convenience. Matter of L-, 3 I&N Dec. 862 (C.O. 1950).

After a careful review of the record, it is concluded that the conditions of the bond have been substantially violated, and the collateral has been forfeited. The decision of the district director will not be disturbed.

ORDER: The appeal is dismissed.
