appearance notice, upon each and every written request until removal proceedings are finally terminated, or until the said alien is actually accepted by the Service for detention or removal. Matter of Smith, 16 I&N Dec. 146 (Reg. Corom. 1977).

The regulations provide that an obligor shall be released from liability where there has been "substantial performance" of all conditions imposed by the terms of the bond. 8 C.F.R. 103.6(c) (3). A bond is breached when there has been a substantial violation of the stipulated conditions of the bond. 8 C.F.R. 103.6(e).

8 C.F.R. 103.6(a)(2) provides that personal service may be effected by any of the following:

- (i) Delivery of a copy personally;
- (ii) Delivery of a copy at a person's dwelling house or usual place of abode by leaving it with some person of suitable age and discretion;
- (iii) Delivery of a copy at the office of an attorney or other person including a corporation, by leaving it with a person in charge;
- (iv) Mailing a copy by certified or registered mail, return receipt requested, addressed to a person at his last known **address**.

The bond (Form I-352) provides in pertinent part that the obligor "agrees that any notice to him/her in connection with this bond may be accomplished by mail directed to him/her at the above address. In this case, the Form I-352 listed [redacted] as the obligor's address."

Contained in the record is a certified mail receipt which indicates that the Notice to [redacted] alien was sent to the obligor at [redacted] on January 24, 2000. This notice demanded that the obligor produce the bonded alien for removal on February 22, 2000. The receipt also indicates the obligor received notice to produce the bonded alien on January 31, 2000. Consequently, the record clearly establishes that the district director properly served notice on the obligor in compliance with 8 C.F.R. 103.6(a)(2)(iv).

Furthermore, it is clear from the language used in the bond agreement that the obligor shall cause the alien to be produced or the alien shall produce himself to a Service officer upon each and every request of such officer until removal proceedings are either finally terminated or the alien is accepted by the Service for detention or removal.

Pursuant to the agreement between [redacted] and the Service, a properly completed questionnaire must be attached to all Form I-340's (Notices to Surrender) going to the obligor on a surety bond. Failure to attach the questionnaire would result in rescission of any breach related to that Form I-340 notice.

The present record contains evidence that a properly completed questionnaire was forwarded to the obligor with the notice to surrender.

It must be noted that delivery bonds are exacted to insure that aliens will be produced when and where required by the Service for hearings or removal. Such bonds are necessary in order for the service to function in an orderly manner. The courts have long considered the confusion which would result if aliens could be surrendered at any time or place it suited their or the surety's convenience. Matter of L-, 3 I&N Dec. 862 (C.O. 1950). See also, Matter of Allied Fidelity Insurance Co., 19I&N 124 (Comm. 1984).

After a careful review of the record, it is concluded that the conditions of the bond have been substantially violated and the collateral has been forfeited. The decision of the district director will not be disturbed.

ORDER: The appeal *is* dismissed.
