FOR THE ASSOCIATE COMMISSIONER,
EXAMINATIONS

Robert P. Wiemann, Director
Administrative Appeals Office

DISCUSSION: The delivery bond in this matter was declared breached by the District Director, San Diego, California, and is now before the Associate Commissioner for Examinations on appeal. The appeal will be sustained.

The record indicates that on October 15, 2001, the obligor posted a \$15,000 bond conditioned for the delivery of the above referenced alien. A Notice to Deliver Alien (Form I-340) dated February 18, 2002, was sent to the obligor via certified mail, return receipt requested. The notice demanded the bonded alien's surrender to the Immigration and Naturalization Service (the Service) for removal at 9:00 a.m. on March 19, 2002, at 880 Front Street, Room 2242, San Diego, California 92101. The obligor failed to present the alien, and the alien failed to appear as required. On March 26, 2002, the district director informed the obligor that the delivery bond had been breached.

On appeal, counsel asserts that the obligor has not yet received a response to its FOIA request.

The alleged failure of the San Diego District office to respond to the obligor's FOIA request has no bearing in this matter as bond proceedings are separate and apart from any other proceedings. Furthermore, the mere filing of a FOIA request does not excuse the obligor from delivering the alien as demanded.

On appeal, counsel states that the Service did not provide the obligor with a photograph of the alien.

Delivery bonds are violated if the obligor fails to cause the bonded alien to be produced or to produce himself/herself to an immigration officer or immigration judge, as specified in the appearance notice, upon each and every written request until removal proceedings are finally terminated, or until the said alien is actually accepted by the Service for detention or removal. Matter of Smith, 16 I&N Dec. 146 (Reg. Comm. 1977).

The regulations provide that an obligor shall be released from liability where there has been "substantial performance" of all conditions imposed by the terms of the bond. 8 C.F.R. 103.6(c)(3). A bond is breached when there has been a substantial violation of the stipulated conditions of the bond. 8 C.F.R. 103.6(e).

8 C.F.R. 103.5a(a)(2) provides that personal service may be effected by any of the following:

- (i) Delivery of a copy personally;
- (ii) Delivery of a copy at a person's dwelling house or usual place of abode by leaving it with some person of suitable age and discretion;

(iii) Delivery of a copy at the office of an attorney or other person including a corporation, by leaving it with a person in charge;

(iv) Mailing a copy by certified or registered mail, return receipt requested, addressed to a person at his last known address.

The bond (Form I-352) provides in pertinent part that the obligor "agrees that any notice to him/her in connection with this bond may be accomplished by mail directed to him/her at the above address." In this case, the Form I-352 listed 525 Penn Street, Suite 200, Reading, PA 19601 as the obligor's address.

Contained in the record is a certified mail receipt which indicates that the Notice to Deliver Alien was sent to the obligor at 525 Penn Street, Suite 200, Reading, PA 19601 on February 18, 2002. This notice demanded that the obligor produce the bonded alien for removal on March 19, 2002. The receipt also indicates the obligor received notice to produce the bonded alien on February 26, 2002. Consequently, the record clearly establishes that the notice was properly served on the obligor in compliance with 8 C.F.R. 103.5a(a)(2)(iv).

On appeal, counsel argues that because the Form I-166 was attached to the Form I-340, the obligor has no way of knowing if the Service waited the required three days to mail the Form I-166 to the alien.

According to the postmarked envelope which contained the Form I-166, and was returned by the post office as unclaimed, the Form I-166 was sent to the bonded alien's last known address on February 22, 2002.

Pursuant to the Amwest/Reno Settlement Agreement, entered into on June 22, 1995, by the Service and Far West Surety Insurance Company, the Service agreed that a properly completed questionnaire would be attached to all Form I-340s (Notices to Surrender) going to the obligor on a surety bond. The failure to attach the questionnaire would result in rescission of any breach related to that Form I-340. A properly completed questionnaire must include a copy of any picture of the alien found in the Service file.

Based on the provisions of the Amwest Agreement and the fact that the record fails to show that a properly completed questionnaire was sent to the obligor, the appeal will be sustained. The district director's decision declaring the bond breached will be rescinded and the bond will be continued in full force and effect.

ORDER: The appeal is sustained. The district director's decision declaring the bond breached is withdrawn, and the bond is continued in full force and effect.
