FOR THE ASSOCIATE COMMISSIONER,
EXAMINATIONS

Robert P. Wiemann, Director
Administrative Appeals Office

DISCUSSION: The delivery bond in this matter was declared breached by the District Director, Harlingen, Texas, and is now before the Associate Commissioner for Examinations on appeal. The appeal will be dismissed.

The record indicates that on April 18, 2001, the obligor posted a \$7,500 bond conditioned for the delivery of the above referenced alien. A Notice to Deliver Alien (Form I-340) dated August 21, 2001, was sent to the obligor via certified mail, return receipt requested. The notice demanded the bonded alien's surrender into the custody of an officer of the Immigration and Naturalization Service (the Service) for removal at 10:00 a.m. on September 21, 2001, at PISPC, [REDACTED]. The obligor failed to present the alien, and the alien failed to appear as required. On October 15, 2001, the district director informed the obligor that the delivery bond had been breached.

On appeal, counsel requests additional time in which to file a written brief. No brief has been received. It should be noted that the facts present in the case at hand are similar not only to numerous cases already presented to the Associate Commissioner by the obligor on previous appeals but to a myriad of similar cases adjudicated by the Associate Commissioner since the inception of the Office of Administrative Appeals in 1983. Therefore, the request is denied.

It should be noted that the present record contains evidence that a properly completed questionnaire with the alien's photograph attached was forwarded to the obligor with the notice to surrender pursuant to the Amwest/Reno Settlement Agreement, entered into on June 22, 1995, by the Service and [REDACTED].

Delivery bonds are violated if the obligor fails to cause the bonded alien to be produced or to produce himself/herself to an immigration officer or immigration judge upon each and every written request until removal proceedings are finally terminated, or until the alien is actually accepted by the immigration officer for detention or removal. Matter of Smith, 16 I&N Dec. 146 (Reg. Comm. 1977).

The regulations provide that an obligor shall be released from liability where there has been "substantial performance" of all conditions imposed by the terms of the bond. 8 C.F.R. 103.6(c)(3). A bond is breached when there has been a substantial violation of the stipulated conditions of the bond. 8 C.F.R. 103.6(e).

8 C.F.R. 103.5a(a)(2) provides that personal service may be effected by any of the following:

- (i) Delivery of a copy personally;

(ii) Delivery of a copy at a person's dwelling house or usual place of abode by leaving it with some person of suitable age and discretion;

(iii) Delivery of a copy at the office of an attorney or other person including a corporation, by leaving it with a person in charge;

(iv) Mailing a copy by certified or registered mail, return receipt requested, addressed to a person at his last known address.

The bond (Form I-352) provides in pertinent part that the obligor "agrees that any notice to him/her in connection with this bond may be accomplished by mail directed to him/her at the above address." In this case, the Form I-352 listed [REDACTED] as the obligor's address.

Contained in the record is a certified mail receipt which indicates that the Notice to Deliver Alien was sent to the obligor at [REDACTED] on August 21, 2001. This notice demanded that the obligor produce the bonded alien for removal on September 21, 2001. The receipt also indicates the obligor received notice to produce the bonded alien on August 23, 2001. Consequently, the record clearly establishes that the notice was properly served on the obligor in compliance with 8 C.F.R. 103.5a(a)(2)(iv).

Furthermore, it is clear from the language used in the bond agreement that the obligor shall cause the alien to be produced or the alien shall produce himself to a Service officer upon each and every request of such officer until removal proceedings are either finally terminated or the alien is accepted by the Service for detention or removal.

In the Amwest/Reno Settlement Agreement, entered into on June 22, 1995, by the Service and [REDACTED] the Service agreed that a Form I-166 letter would not be mailed to the alien's last known address before, and not less than 3 days after, the demand to produce the alien is mailed to the obligor.

Contained in the record is a certified mail receipt which indicates that the Form I-166 letter was sent to the alien's last known address on October 15, 2001. This notice stated that arrangements have been made for the alien's departure to Brazil on November 15, 2001. Consequently, the record clearly establishes that the Form I-166 letter was mailed more than 3 days after the notice to surrender was mailed.

It must be noted that delivery bonds are exacted to insure that aliens will be produced when and where required by the Service for hearings or removal. Such bonds are necessary in order for the Service to function in an orderly manner. The courts have long considered the confusion which would result if aliens could be

surrendered at any time or place it suited their or the surety's convenience. Matter of L-, 3 I&N Dec. 862 (C.O. 1950).

After a careful review of the record, it is concluded that the conditions of the bond have been substantially violated, and the collateral has been forfeited. The decision of the district director will not be disturbed.

ORDER: The appeal is dismissed.
