**PUBLIC COPY**

- (i) Delivery of a copy personally;
- (ii) Delivery of a copy at a person's dwelling house or usual place of abode by leaving it with some person of suitable age and discretion;
- (iii) Delivery of a copy at the office of an attorney or other person including a corporation, by leaving it with a person in charge;
- (iv) Mailing a copy by certified or registered mail, return receipt requested, addressed to a person at his last known address.

The evidence of record indicates that the Notice to Deliver Alien dated December 22, 2003 was sent to the obligor via certified mail. This notice demanded that the obligor produce the bonded alien on February 9, 2004. The domestic return receipt shows it was signed by a representative of Safety National Casualty Corp., and was subsequently received by ICE on December 29, 2003. Consequently, the record clearly establishes that the notice was properly served on the obligor in compliance with 8 C.F.R. § 103.5a(a)(2)(iv).

It is clear from the language used in the bond agreement that the obligor shall cause the alien to be produced or the alien shall produce himself to an ICE officer upon each and every request of such officer until removal proceedings are either finally terminated or the alien is accepted by ICE for detention or removal.

It must be noted that delivery bonds are exacted to insure that aliens will be produced when and where required by ICE for hearings or removal. Such bonds are necessary in order for ICE to function in an orderly manner. The courts have long considered the confusion which would result if aliens could be surrendered at any time or place it suited the alien's or the surety's convenience. *Matter of L-*, 3 I&N Dec. 862 (C.O. 1950).

After a careful review of the record, it is concluded that the conditions of the bond have been substantially violated, and the collateral has been forfeited. The decision of the field office director will not be disturbed.

**ORDER:** The appeal is dismissed.
