DISCUSSION: The delivery bond in this matter was declared breached by the District Director, San Diego, California, and is now before the Administrative Appeals Office on appeal. The appeal will be sustained.

The record indicates that on February 8, 2002, the obligor posted a \$15,000 bond conditioned for the delivery of the above referenced alien. A Notice to Deliver Alien (Form I-340) dated August 8, 2002, was sent to the obligor via certified mail, return receipt requested. The notice demanded the bonded alien's surrender to the Immigration and Naturalization Service (legacy INS), now Immigration and Customs Enforcement (ICE), at 1:00 p.m. on September 11, 2002, at [REDACTED]. The obligor failed to present the alien, and the alien failed to appear as required. On October 1, 2002, the district director informed the obligor that the delivery bond had been breached.

Delivery bonds are violated if the obligor fails to cause the bonded alien to be produced or to produce himself/herself to an immigration officer or immigration judge, as specified in the appearance notice, upon each and every written request until removal proceedings are finally terminated, or until the said alien is actually accepted by ICE for detention or removal. *Matter of Smith*, 16 I&N Dec. 146 (Reg. Comm. 1977).

The regulations provide that an obligor shall be released from liability where there has been "substantial performance" of all conditions imposed by the terms of the bond. 8 C.F.R. § 103.6(c)(3). A bond is breached when there has been a substantial violation of the stipulated conditions of the bond. 8 C.F.R. § 103.6(e).

8 C.F.R. § 103.5a(a)(2) provides that personal service may be effected by any of the following:

- (i) Delivery of a copy personally;
- (ii) Delivery of a copy at a person's dwelling house or usual place of abode by leaving it with some person of suitable age and discretion;
- (iii) Delivery of a copy at the office of an attorney or other person including a corporation, by leaving it with a person in charge;
- (iv) Mailing a copy by certified or registered mail, return receipt requested, addressed to a person at his last known address.

The evidence of record indicates that the Notice to Deliver Alien dated August 8, 2002 was sent to the obligor at [REDACTED] via certified mail. This notice demanded that the obligor produce the bonded alien on September 11, 2002. The domestic return receipt indicates the co-obligor received notice to produce the bonded alien on August 13, 2002. Consequently, the record clearly establishes that the notice was properly served on the obligor in compliance with 8 C.F.R. § 103.5a(a)(2)(iv).

It is clear from the language used in the bond agreement that the obligor shall cause the alien to be produced or the alien shall produce himself to an ICE officer upon each and every request of such officer until removal proceedings are either finally terminated or the alien is accepted by ICE for detention or removal.

On appeal, counsel states that the district director failed to include a photograph of the alien with the questionnaire.

Pursuant to the Amwest/Reno Settlement Agreement, entered into on June 22, 1995 by the legacy INS and Far West Surety Insurance Company, ICE agreed that a properly completed questionnaire would be attached to all Form I-340s (Notices to Surrender) going to the obligor on a surety bond. The failure to attach the questionnaire would result in rescission of any breach related to that Form I-340.

Based on the provisions of the Amwest Agreement and the fact that the record fails to show that a properly completed questionnaire was sent to the obligor, the appeal will be sustained. The district director's decision declaring the bond breached will be rescinded and the bond will be continued in full force and effect.

ORDER: The appeal is sustained. The district director's decision declaring the bond breached is rescinded and the bond is continued in full force and effect.
