(iv) Mailing a copy by certified or registered mail, return receipt requested, addressed to a person at his last known address.

The evidence of record indicates that the Notice to Deliver Alien dated February 20, 2004 was sent via certified mail. This notice demanded that the obligor produce the bonded alien on March 22, 2004. The domestic return receipt indicates the obligor received notice to produce the bonded alien on March 5, 2004. Consequently, the record clearly establishes that the notice was properly served on the obligor in compliance with 8 C.F.R. § 103.5a(a)(2)(iv).

It is clear from the language used in the bond agreement that the obligor shall cause the alien to be produced or the alien shall produce himself to an ICE officer upon each and every request of such officer until removal proceedings are either finally terminated or the alien is accepted by ICE for detention or removal.

It must be noted that delivery bonds are exacted to insure that aliens will be produced when and where required by ICE for hearings or removal. Such bonds are necessary in order for ICE to function in an orderly manner. The courts have long considered the confusion which would result if aliens could be surrendered at any time or place it suited the alien's or the surety's convenience. *Matter of L-*, 3 I&N Dec. 862 (C.O. 1950).

After a careful review of the record, it is concluded that the conditions of the bond have been substantially violated, and the collateral has been forfeited. The decision of the field office director will not be disturbed.

ORDER: The appeal is dismissed.
