Robert P. Wiemann, Director
Administrative Appeals Office

DISCUSSION: The delivery bond in this matter was declared breached by the District Director, Miami, Florida, and is now before the Administrative Appeals Office on appeal. The appeal will be sustained.

The record indicates that on October 25, 2002, the obligor posted a \$10,000 bond conditioned for the delivery of the above referenced alien. A Notice to Deliver Alien (Form I-340) dated November 13, 2002, was sent to the obligor via certified mail, return receipt requested. The notice demanded the bonded alien's surrender to the Immigration and Naturalization Service (INS), now the Bureau of Immigration and Customs Enforcement (BICE), at 10:00 a.m. on November 27, 2002, at [REDACTED]

[REDACTED] The obligor failed to present the alien, and the alien failed to appear as required. On December 4, 2002, the district director informed the obligor that the delivery bond had been breached.

Delivery bonds are violated if the obligor fails to cause the bonded alien to be produced or to produce himself/herself to an immigration officer or immigration judge, as specified in the appearance notice, upon each and every written request until removal proceedings are finally terminated, or until the said alien is actually accepted by the BICE for detention or removal. *Matter of Smith*, 16 I&N Dec. 146 (Reg. Comm. 1977).

The regulations provide that an obligor shall be released from liability where there has been "substantial performance" of all conditions imposed by the terms of the bond. 8 C.F.R. § 103.6(c)(3). A bond is breached when there has been a substantial violation of the stipulated conditions of the bond. 8 C.F.R. § 103.6(e).

8 C.F.R. § 103.5a(a)(2) provides that personal service may be effected by any of the following:

- (i) Delivery of a copy personally;
- (ii) Delivery of a copy at a person's dwelling house or usual place of abode by leaving it with some person of suitable age and discretion;
- (iii) Delivery of a copy at the office of an attorney or other person including a corporation, by leaving it with a person in charge;
- (iv) Mailing a copy by certified or registered mail, return receipt requested, addressed to a person at his last known address.

The evidence of record indicates that the Notice to Deliver Alien was sent to the obligor at [REDACTED] on November 13, 2002 via certified mail. This notice demanded that the obligor produce the bonded alien on November 27, 2002. The domestic

return receipt indicates the obligor received notice to produce the bonded alien on November 18, 2002. Consequently, the record clearly establishes that the notice was properly served on the obligor in compliance with 8 C.F.R. § 103.5a(a)(2)(iv).

On appeal, counsel asserts that because the Form I-166 was attached to the Form I-340, the obligor has no way of knowing if the BICE waited the required three days to mail the Form I-166 to the alien.

The Amwest/Reno Settlement Agreement provides that the Form I-166 notice will not be mailed to the alien before, and not less than three days after the demand to surrender is mailed to the obligor.

A copy of the Form I-166 was mailed with the Form I-340 to the obligor on November 13, 2002 as a courtesy and in no way does it violate the Amwest/Reno Settlement Agreement. Evidence in the record indicates that the Form I-166 was sent to the alien's last known address not less than three days after the demand to surrender was mailed. The record thus clearly establishes that the Form I-166 was mailed more than 3 days after the Form I-340 was mailed.

On appeal, counsel further asserts that the sending of a Form I-166 has had such a prejudicial effect on the obligor's ability to produce the alien that the bond should be canceled.

Form I-166 has not been required since July 25, 1986, which is the effective date of an amendment to former 8 C.F.R. § 243.3. That amendment had no effect on the obligor's agreement to produce the alien upon request. Further, the obligor's contractual obligation to surrender the alien is not affected by the BICE's discharge of its responsibility to locate and remove an alien by sending the Form I-166 to the alien's last known address.

On appeal, counsel states that the director failed to provide the obligor with a properly completed questionnaire and a photograph of the alien.

Pursuant to the Amwest/Reno Settlement Agreement, entered into on June 22, 1995 by the former INS and Far West Surety Insurance Company, the BICE agreed that a properly completed questionnaire would be attached to all Form I-340s (Notices to Surrender) going to the obligor on a surety bond. The failure to attach the questionnaire would result in rescission of any breach related to that Form I-340. A properly completed questionnaire must include a copy of any picture of the alien found in the BICE file.

Based on the provisions of the Amwest Agreement and the fact that the record fails to show that a properly completed questionnaire was sent to the obligor, the appeal will be sustained. The district director's decision declaring the bond breached will be rescinded

and the bond will be continued in full force and effect.

ORDER: The appeal is sustained. The district director's decision declaring the bond breached is withdrawn, and the bond is continued in full force and effect.
