IN RE:

Applicant:

APPLICATION:

Application for Permission to Reapply for Admission into the United States after Deportation or Removal under section 212(a)(9)(A)(iii) of the Immigration and Nationality Act, 8 U.S.C. § 1182(a)(9)(A)(iii)

ON BEHALF OF APPLICANT:

INSTRUCTIONS:

This is the decision of the Administrative Appeals Office in your case. All documents have been returned to the office that originally decided your case. Any further inquiry must be made to that office.

Robert P. Wiemann, Chief  
Administrative Appeals Office

**DISCUSSION:** The Application for Permission to Reapply for Admission into the United States after Deportation or Removal (Form I-212) was denied by the Director, California Service Center, and is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be rejected as untimely filed.

In order to properly file an appeal, the regulation at 8 C.F.R. § 103.3(a)(2)(i) provides that the affected party must file the complete appeal within 30 days after service of the unfavorable decision. If the decision was mailed, the appeal must be filed within 33 days. See 8 C.F.R. § 103.5a(b).

The record indicates that the Director issued the decision on August 11, 2005. It is noted that the Director properly gave notice to the applicant that he had 33 days to file the appeal. The Notice of Appeal to the AAO (Form I-290B) was received by the California Service Center on September 12, 2005. It was rejected and returned to the applicant because it was not signed.

The regulation at 8 C.F.R. § 103.2(a) states in pertinent part:

. . . . .

*(7) Receipt date- (i) General.* An application or petition received in a Service office shall be stamped to show the time and date of actual receipt and, unless otherwise specified in part 204 or part 245 or part 245a of this chapter, shall be regarded as properly filed when so stamped, if it is signed and executed and the required filing fee is attached or a waiver of the filing fee is granted. An application or petition which is not properly signed or is submitted with the wrong filing fee shall be rejected as improperly filed. Rejected applications and petitions, and ones in which the check or other financial instrument used to pay the filing fee is subsequently returned as non-payable will not retain a filing date . . .

The Form I-290B was signed and resubmitted to the California Service Center. The appeal was received by the California Service Center on September 26, 2005, 46 days after the decision was issued. As the appeal was untimely filed, the appeal must be rejected.

The regulation at 8 C.F.R. § 103.3(a)(2)(v)(B)(2) states that, if an untimely appeal meets the requirements of a motion to reopen or a motion to reconsider, the appeal must be treated as a motion, and a decision must be made on the merits of the case. The official having jurisdiction over a motion is the official who made the last decision in the proceeding, in this case the Director, California Service Center. See 8 C.F.R. § 103.5(a)(1)(ii). The Director declined to treat the late appeal as a motion and forwarded the matter to the AAO.

As the appeal was untimely filed, the appeal must be rejected.

**ORDER:** The appeal is rejected.
