Administrative Appeals Office

**DISCUSSION:** The Petition for Approval of School for Attendance by Nonimmigrant Students (Form I-17) was denied by the District Director, Los Angeles, California. The matter is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be rejected and the matter will be remanded to the district director for further consideration and entry of a decision.

The regulation at 8 C.F.R. § 103.3(a)(2)(i) indicates that appeals must be filed within 30 days after the service of the decision. The record indicates that the district director's denial was mailed on July 18, 2003. The appeal was filed on August 28, 2003, 41 days after the decision was mailed. Thus, the appeal was not timely filed.

It is noted that the district director erroneously allowed the petitioner to file the appeal. The district director's error does not, and cannot, supersede the regulation regarding the time allotted to file an appeal.

The regulation at 8 C.F.R. § 103.3(a)(2)(v)(B)(2) states that, if an untimely appeal meets the requirements of a motion to reopen as described in 8 C.F.R. § 103.5(a)(2), the appeal must be treated as a motion, and a decision must be made on the merits of the case.

Furthermore, the regulation at 8 C.F.R. § 103.5(a)(2) requires that a motion to reopen state the new facts to be provided in the reopened proceeding, supported by affidavits or other documentary evidence. Review of the record indicates that the appeal meets this requirement. The petition will be remanded to the district director for consideration as a motion to reopen.

**ORDER:** The appeal is rejected. The matter is remanded to the district director to be considered as a motion to reopen.
