**DISCUSSION:** The application for temporary resident status was denied by the Director, California Service Center, and is now before the Administrative Appeals Office on appeal. The appeal will be rejected.

The director denied the application because of the applicant's criminal record.

An adverse decision on an application for temporary resident status may be appealed to the Administrative Appeals Office. Any appeal with the required fee shall be filed with the Service Center within thirty (30) days after service of the notice of denial. An appeal received after the thirty day period has tolled will not be accepted. *See* 8 C.F.R. § 245a.2(p).

The director issued the Notice of Denial on October 29, 2002, and mailed it to the applicant in care of his attorney. The appeal was initially submitted by the applicant's attorney on November 22, 2002, but was returned by the Service Center on November 25, 2002 for lack of proper fee. The appeal, with proper fee, was not received until December 12, 2002. Therefore, the appeal was untimely filed, and must be rejected.

**ORDER:** The appeal is rejected.
