ON BEHALF OF APPLICANT: Self-represented

INSTRUCTIONS:

This is the decision of the Administrative Appeals Office in your case. All documents have been returned to the office that originally decided your case. If your appeal was sustained, or if your case was remanded for further action, you will be contacted. If your appeal was dismissed, you no longer have a case pending before this office, and you are not entitled to file a motion to reopen or reconsider your case.

Robert P. Wiemann, Director  
Administrative Appeals Office

**DISCUSSION:** The application for temporary resident status was denied by the Director, Western Service Center, and is now before the Administrative Appeals Office on appeal. The appeal will be dismissed.

The director denied the application because the applicant had failed to establish entry into the United States prior to January 1, 1982 and continuous residence since such date.

An applicant for temporary residence must establish entry into the United States before January 1, 1982, and continuous residence in the United States in an unlawful status since such date and through the date the application is filed. Section 245A(a)(2) of the Act, 8 U.S.C. 1255a(a)(2).

On her application, the applicant claimed to have begun residing in the United States in February 1984. She has not modified that claim on appeal. As the applicant has not demonstrated eligibility for the benefit sought, the appeal must be dismissed.

**ORDER:** The appeal is dismissed. This decision constitutes a final notice of ineligibility.
