IN RE:

Applicant:

APPLICATION: Application for Status as a Temporary Resident pursuant to Section 245A of the  
Immigration and Nationality Act, as amended, 8 U.S.C. § 1255a

ON BEHALF OF APPLICANT:

INSTRUCTIONS:

This is the decision of the Administrative Appeals Office in your case. All documents have been returned to the office that originally decided your case. If your appeal was sustained, or if your case was remanded for further action, you will be contacted. If your appeal was dismissed, you no longer have a case pending before this office, and you are not entitled to file a motion to reopen or reconsider your case.

Robert P. Wiemann, Director  
Administrative Appeals Office

**DISCUSSION:** The application for temporary resident status was denied by the Director, California Service Center, and is now before the Administrative Appeals Office on appeal. The appeal will be dismissed.

The director denied the application because of the applicant's record of convictions and arrests.

On appeal, counsel did not address the basis for denial. She indicated that a brief focusing on constitutional grounds would be filed within 30 days. Almost three years later, no brief or evidence has been submitted.

As stated in 8 C.F.R. § 103.3(a)(3)(iv), any appeal which is filed that fails to state the reason for appeal, or is patently frivolous, will be summarily dismissed.

A review of the decision reveals the director accurately set forth a legitimate basis for denial of the application. On appeal, neither the applicant nor counsel has presented additional evidence. Nor have they addressed the grounds stated for denial. The appeal must therefore be summarily dismissed.

**ORDER:** The appeal is dismissed. This decision constitutes a final notice of ineligibility.
