ON BEHALF OF APPLICANT: SELF-REPRESENTED

INSTRUCTIONS:

This is the decision of the Administrative Appeals Office in your case. The file has been returned to the service center that processed your case. If your appeal was sustained, or if your case was remanded for further action, you will be contacted. If your appeal was dismissed, you no longer have a case pending before this office, and you are not entitled to file a motion to reopen or reconsider your case.

Robert P. Wiemann, Director
Administrative Appeals Office

DISCUSSION: The application for temporary resident status as a special agricultural worker was denied by the Director, Western Service Center, and is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be rejected.

The applicant had been admitted to the United States as an S-9 preliminary applicant. The director denied the application because the applicant submitted employment documents which differed significantly from the claim of employment as set forth in the original I-700 application.

Whenever an application for special agricultural worker status is denied or the status of a lawful temporary resident is terminated, the alien shall be given written notice setting forth the specific reasons for the denial on Form I-692, Notice of Denial. Form I-692 shall also contain advice to the applicant that he or she may appeal the decision and that such appeal must be taken within **30 days** following the service of the notification of decision. 8 C.F.R. § 103.3(a)(3)(i). An appeal received after the thirty (30) day period has tolled will not be accepted for processing. 8 C.F.R. § 103.3(a)(3)(iv). Form I-694, Notice of Appeal, shall be used to file the appeal and must be accompanied by the appropriate fee. 8 C.F.R. § 103.3(a)(3)(ii). Whenever a person has the right to or is required to do some act within the prescribed period after the service of a notice upon him and the notice is served by mail, three days shall be added to the prescribed period. Service by mail is complete upon mailing. 8. C.F.R. § 103.5a(b).

The director issued the Notice of Denial on October 31, 1991, and sent it to the applicant's address of record via certified mail. The record contains a certified mail return receipt signed and returned to the Service, acknowledging receipt of the notice. The appeal was not received until April 16, 2001. The appeal was untimely filed and, therefore, must be rejected.

ORDER: The appeal is rejected.
