ON BEHALF OF APPLICANT:

SELF-REPRESENTED

INSTRUCTIONS:

This is the decision of the Administrative Appeals Office in your case. All documents have been returned to the office that originally decided your case. If your appeal was sustained, or if your case was remanded for further action, you will be contacted. If your appeal was dismissed, you no longer have a case pending before this office, and you are not entitled to file a motion to reopen or reconsider your case.

Robert P. Wiemann, Chief
Administrative Appeals Office

DISCUSSION: The application for temporary resident status as a special agricultural worker was denied by the Director, Northern Regional Processing Facility, and is now before the Administrative Appeals Office on appeal. The appeal will be rejected.

The director denied the application because the applicant failed to provide the final court disposition of all arrests since his arrival in the United States.

Whenever an application for special agricultural worker status is denied or the status of a lawful temporary resident is terminated, the alien shall be given written notice setting forth the specific reasons for the denial on Form I-692, Notice of Denial. Form I-692 shall also contain advice to the applicant that he or she may appeal the decision and that such appeal must be taken within **30 days** following service of the notification of decision. 8 C.F.R. § 103.3(a)(3)(i). An appeal received after the thirty (30) day period has tolled will not be accepted for processing. 8 C.F.R. § 103.3(a)(3)(iv). Form I-694, Notice of Appeal, shall be used to file the appeal and must be accompanied by the appropriate fee. 8 C.F.R. § 103.3(a)(3)(ii). Whenever a person has the right or is required to do some act within a prescribed period after the service of a notice upon him and the notice is served by mail, three days shall be added to the prescribed period. Service by mail is complete upon mailing. 8 C.F.R. § 103.5a(b).

The director issued the Notice of Denial on April 9, 1991, and sent it to the applicant's address of record via certified mail. However, the notice was returned to the Northern Regional Processing Facility as undeliverable mail. The appeal was not received until March 17, 1994, almost three years after the issuance of the denial decision. The appeal was untimely filed and, therefore, must be rejected.

ORDER: The appeal is rejected.
