Administrative Appeals Office

DISCUSSION: The application for temporary resident status pursuant to the terms of the settlement agreements reached in *Catholic Social Services, Inc., et al., v. Ridge, et al.*, CIV. NO. S-86-1343-LKK (E.D. Cal) January 23, 2004, and *Felicity Mary Newman, et al., v. United States Immigration and Citizenship Services, et al.*, CIV. NO. 87-4757-WDK (C.D. Cal) February 17, 2004 (CSS/Newman Settlement Agreements), was denied by the District Director, Charlotte. That decision is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be dismissed.

The director determined that the applicant had not established by a preponderance of the evidence that he had continuously resided in the United States in an unlawful status for the duration of the requisite period. The director denied the application, finding that the applicant had not met his burden of proof and was, therefore, not eligible to adjust to temporary resident status pursuant to the terms of the CSS/Newman Settlement Agreements.

On appeal, the applicant indicated that he would submit a brief within 30 calendar days. The applicant requested additional time to gather evidence of his residence in the United States since 1981. The applicant stated that he would address the discrepancies from his interview.

The applicant filed his Form I-694, Notice of Appeal, on August 31, 2006. As of the date of this decision, the applicant has not submitted a brief and/or any additional evidence to the AAO.

As stated in 8 C.F.R. § 103.3(a)(3)(iv), any appeal that fails to state the reason for appeal, or is patently frivolous, will be summarily dismissed.

A review of the decision reveals that the director accurately set forth a legitimate basis for denial of the application. On appeal, the applicant has not presented additional evidence. Nor has he specifically addressed the basis for denial. The appeal must therefore be summarily dismissed.

ORDER: The appeal is dismissed. This decision constitutes a final notice of ineligibility.
