Robert P. Wiemann, Director  
Administrative Appeals Office

**DISCUSSION:** The application for permanent resident status under the Legal Immigration Family Equity (LIFE) Act was denied by the Director, Missouri Service Center, and is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be rejected.

The director concluded the applicant had not established that he had applied for class membership in any of the requisite legalization class-action lawsuits prior to October 1, 2000 and, therefore, denied the application.

On appeal, the applicant asserts that he has resided in the U.S. since 1985 and that he has already provided evidence establishing his having filed a timely claim for class management.

An affected party filing from within the United States has 30 days from the date of an adverse decision to file an appeal. An appeal received after the 30 day period has tolled will not be accepted. The 30 day period for submitting an appeal begins 3 days after the Notice of Decision is mailed. 8 C.F.R. § 245a.20(b) (1).

If an applicant's last known address of record was outside the United States, and the Notice of Decision was mailed to that foreign address, the appeal must be received by the Service within 60 calendar days after service of the Notice of Decision. An appeal received after the 60 day period has tolled will not be accepted. The 60-day period for submitting an appeal begins 3 days after the Notice of Decision is mailed. 8 C.F.R. § 245a.20(b) (2).

The record reflects that the director sent his decision of November 6, 2002 to the applicant at his address of record. Citizenship and Immigration Services (CIS) received the appeal 40 days later on December 16, 2002. The appeal was, therefore, untimely filed.

The burden of proving eligibility for the benefit sought remains entirely with the applicant. Section 291 of the Act, 8 U.S.C. § 1361. The applicant has not sustained that burden.

**ORDER:** The appeal is rejected as untimely filed.
