Administrative Appeals Office

DISCUSSION: The application for permanent resident status under the Legal Immigration Family Equity (LIFE) Act was denied by the District Director, Dallas, Texas, and is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be rejected.

The district director denied the application because the applicant had not demonstrated that he had continuously resided in the United States in an unlawful status from before January 1, 1982 through May 4, 1988.

On appeal, counsel asserts that additional evidence could not be located within the allocated time but such evidence would be forthcoming. However, as of the date of this decision, neither counsel nor the applicant has submitted a statement, brief, or evidence in support of the appeal. Therefore, the record shall be considered complete.

An affected party filing from within the United States has 30 days from the date of an adverse decision to file an appeal. An appeal received after the 30-day period has tolled will not be accepted. The 30-day period for submitting an appeal begins 3 days after the Notice of Decision is mailed. 8 C.F.R. § 245a.20(b)(1)

The record reflects that the director sent his decision of June 19, 2004 to the applicant and counsel at their respective addresses of record. The record shows that counsel initially submitted the appeal with an unsigned money order or cashier's check. Citizenship and Immigration Services (CIS) returned the appeal to counsel and subsequently received the appeal with a properly executed fee instrument thirty-eight days later on July 27, 2004. Therefore, the appeal was untimely filed.

ORDER: The appeal is rejected as untimely filed.
