ON BEHALF OF APPLICANT: SELF-REPRESENTED

for Robert P. Wiemann, Chief  
Administrative Appeals Office

**DISCUSSION:** The application was denied by the District Director, Denver, Colorado, and is now before the Administrative Appeals Office on appeal. The appeal will be dismissed.

The applicant claims to be a native and citizen of Somalia who is seeking Temporary Protected Status (TPS) under section 244 of the Immigration and Nationality Act (the Act), 8 U.S.C. § 1254.

The director denied the application because the applicant failed to establish he was a national of Somalia.

On appeal, former counsel submits two affidavits from persons concerning the applicant's Somali identity

Section 244(c) of the Act, and the related regulations in 8 C.F.R. § 244.2, provide that an alien who is a national of a foreign state designated by the Attorney General is eligible for temporary protected status only if such alien establishes that he or she:

- (a) Is a national, as defined in section 101(a)(21) of the Act, of a foreign state designated under section 244(b) of the Act;
- (b) Has been continuously physically present in the United States since the effective date of the most recent designation of that foreign state;
- (c) Has continuously resided in the United States since such date as the Attorney General may designate;
- (d) Is admissible as an immigrant except as provided under § 244.3;
- (e) Is not ineligible under 8 C.F.R. § 244.4; and
- (f)
  - (1) Registers for TPS during the initial registration period announced by public notice in the *Federal Register*, or
  - (2) During any subsequent extension of such designation if at the time of the initial registration period:
    - (i) The applicant is a nonimmigrant or has been granted voluntary departure status or any relief from removal;
    - (ii) The applicant has an application for change of status, adjustment of status, asylum, voluntary departure, or any relief from removal which is pending or subject to further review or appeal;
    - (iii) The applicant is a parolee or has a pending request for reparole; or

- (iv) The applicant is a spouse or child of an alien currently eligible to be a TPS registrant.
- (g) Has filed an application for late registration with the appropriate Service director within a 60-day period immediately following the expiration or termination of condition described in paragraph (f)(2) of this section.

The term *continuously resided*, as defined in 8 C.F.R. § 244.1, means residing in the United States for the entire period specified in the regulations. An alien shall not be considered to have failed to maintain continuous residence in the United States by reason of a brief, casual, and innocent absence as defined within this section or due merely to a brief temporary trip abroad required by emergency or extenuating circumstances outside the control of the alien.

The term *continuously physically present*, as defined in 8 C.F.R. § 244.1, means actual physical presence in the United States for the entire period specified in the regulations. An alien shall not be considered to have failed to maintain continuous physical presence in the United States by virtue of brief, casual, and innocent absences as defined within this section.

The burden of proof is upon the applicant to establish that he or she meets the above requirements. Applicants shall submit all documentation as required in the instructions or requested by Citizenship and Immigration Services (CIS). 8 C.F.R. § 244.9(a). The sufficiency of all evidence will be judged according to its relevancy, consistency, credibility, and probative value. To meet his or her burden of proof the applicant must provide supporting documentary evidence of eligibility apart from his or her own statements. 8 C.F.R. § 244.9(b).

The district director determined that the applicant had failed to establish that he is a national of Somalia. On appeal, the applicant has provided two affidavits from persons concerning his Somali identity. However, affidavits alone do not establish nationality. The record does not contain any photo identification such as a passport or national identity document. 8 C.F.R. § 244.2(a)(1). Therefore, the decision of the district director is affirmed.

It is noted that, in removal proceedings held on July 19, 1991, an Immigration Judge in Denver Colorado, ordered the applicant deported "in absentia." The Field Office Director in Denver, Colorado, issued an outstanding Form I-205, Warrant of Removal/Deportation, for the applicant on May 11, 2005.

An alien applying for temporary protected status has the burden of proving that he or she meets the requirements enumerated above and is otherwise eligible under the provisions of section 244 of the Act. The applicant has failed to meet this burden.

**ORDER:** The appeal is dismissed.
