ON BEHALF OF APPLICANT:

Administrative Appeals Office

DISCUSSION: The application was denied by the Director, Vermont Service Center, and is now before the Administrative Appeals Office on appeal. The appeal will be summarily dismissed as moot, because the applicant had been granted TPS.

The applicant is a native and citizen of Honduras who is seeking Temporary Protected Status (TPS) under section 244 of the Immigration and Nationality Act (the Act), 8 U.S.C. §1254.

The director determined that the applicant failed to establish that he met the qualification for late initial registration, as he filed his TPS application after the initial registration period from January 5, 1999 to August 20, 1999.

However, CIS records indicate the applicant's re-registration application was approved on January 22, 2007. The record of proceedings contains sufficient evidence to establish the applicant's eligibility for TPS and does not reflect any grounds that would bar the applicant from receiving TPS. Therefore, the director's decision will be withdrawn and the appeal will be summarily dismissed as moot.

ORDER: The application is summarily dismissed.
