IN RE: Applicant: [REDACTED]

APPLICATION: Application for Employment Authorization under 8 C.F.R. § 274a.12(c)(19)

ON BEHALF OF APPLICANT: SELF-REPRESENTED

INSTRUCTIONS:

This is the decision of the Administrative Appeals Office in your case. All documents have been returned to the Vermont Service Center. Any further inquiry must be made to that office.

  
Robert P. Wiemann, Chief  
Administrative Appeals Office

**DISCUSSION:** The application was denied by the Director, Nebraska Service Center, and is now before the Administrative Appeals Office (AAO) on appeal. The case will be remanded for further action.

The applicant is a native and citizen of Honduras who is seeking Temporary Protected Status (TPS) under section 244 of the Immigration and Nationality Act (the Act), 8 U.S.C. § 1254.

On August 25, 2003, the director denied the current application for Employment Authorization because the underlying TPS application had been denied. In response to the director's decision, the applicant filed a Form I-290B, Notice of Appeal or Motion.

The AAO has no jurisdiction over applications for Employment Authorization. The director erroneously accepted the applicant's response as an appeal instead of a motion to reopen and forwarded the file to the AAO. Therefore, the case will be remanded and the director shall consider the applicant's response as a motion to reopen.

As always in these proceedings, the burden of proof rests solely with the applicant. Section 291 of the Act, 8 U.S.C. § 1361.

**ORDER:** The case is remanded to the director for further action consistent with the above and entry of a decision.
