USCIS REMINDS CUSTOMERS - USE CORRECT EDITION OF FORM I-765 TO REQUEST EMPLOYMENT AUTHORIZATION

WASHINGTON—U.S. Citizenship and Immigration Services (USCIS) reminds its customers to use the correct version of the *Application for Employment Authorization* (Form I-765) dated 05/27/08. The edition date appears in the lower right hand corner of the form as “Form I-765 (Rev. 05/27/08) N”.

Submission of an earlier version of Form I-765 may result in rejection of the application. The main purpose of the Form I-765 is to allow certain aliens in the United States to request employment authorization and an Employment Authorization Document (EAD).

Customers may download the correct version of the *Application for Employment Authorization* Form I-765 and instructions from www.uscis.gov/i-765 or under the “Immigration Forms” tab on our website.
